Good afternoon Kathryn,

My name is Martha and I am Rosanna Vazquez' assistant. She asked me to email you in regards to requesting an extension until the third week of April in this matter. Rosanna was recently retained by Ms. Hendrickson and has barely received all the documentation but she will be reviewing it with Ms. Henrickson soon.

Thank you and if there is any additional information you need from me please let me know.

Have a good day,
Martha
